# ICAICTA 2015

The International Conference on Advanced Informatics: Concepts, Theory and Application

ICAICTA 2015 is jointly organized by Informatics Research Group, School of Electrical Engineering and Informatics, Institut Teknologi Bandung (Indonesia), Toyohashi University of Technology (Japan), Faculty of Informatics of Burapha University and Sirindhorn International Institute of Technology (Thailand). The ICAICTA conference aims to bring together international academicians, scientists and industrialists for knowledge sharing, exchange of ideas, collaborations and presentation of their research outcomes in informatics field.

Prospective authors are invited to submit full papers of no more than six (6) pages including results, according to template provided. All submissions will be peer-reviewed (blind) based on originality, technical quality and presentation. **Presented and selected papers will be included in IEEEExplore®.**

For more information, please visit <http://services.informatics.buu.ac.th/icaicta2015/>

**Topics of interest to the conference include, but are not limited to:**

#### Graphics, Image Processing and Intelligent Systems

- Artificial Intelligence and Machine Learning
- Computer Vision and Image Processing
- Natural Language Processing
- Speech Processing
- Expert Systems: Concepts and Theory
- Recommendation Systems
- Recognition Systems
- Game Theory and Application
- Knowledge Modeling

#### High Performance Computing and Distributed Systems

- High Performance Computing
- Distributed Systems
- Pervasive Computing

#### Organized by:

Institut Teknologi Bandung, Indonesia  
Toyohashi University of Technology, Japan  
Faculty of Informatics, Burapha University, Thailand  
Sirindhorn International Institute of Technology, Thailand

#### Computational Science and Engineering

- Cryptography
- Numerical Methods
- Information Retrieval
- Computational Science and Engineering
- Learning Systems
- Simulation
- Multimedia Services and Applications

#### Information Systems, Audit and Governance

- Data Mining
- Information Technology Application
- Database and Programming
- Audit, Security and Governance

#### Important Dates:

<b>Submission Deadline</b>	<b>June 15, 2015</b>
Acceptance Notification	June 1, 2015
Camera Ready Submission	July 15, 2015
Author/Early Registration	July 31, 2015
Conference Day	July 31, 2015
	August 19-22, 2015

*Extended to*
